

Dear Community Members:

Let's say that you could direct hundreds or thousands of dollars to support education. Let's say that allocating such funds to a school of your choice won't cost you a single dime. Too good to be true? It isn't.

The eScrip program makes it easy for you to support the education of our Dominican seminarians with money that you are already spending for everyday purchases. The eScrip organization has partnered with hundreds of merchants and grocery stores across the U.S. Each time you use your registered credit, debit, or grocery loyalty card for purchases, participating merchants will make a contribution to the school(s) that you designate.

We are asking that you help us by signing up for eScrip and directing these merchant contributions to the education and formation fund of the Western Dominican Province. Such contributions can help provide for the training and spiritual development of the priests and brothers who will be the future leaders of our parish communities and Newman Centers.

This painless fundraising program holds the promise of tremendous prospective financial support for our seminarians. Each person that enrolls in the eScrip program can potentially bring in hundreds of dollars annually to the Dominican education fund. For this reason we also encourage you to get your family, friends, and neighbors to sign up with the program.

For those who are already signed up with eScrip, remember that you can designate up to three schools to receive a percentage of the contributions from your purchases. You can, for example, support the Dominicans as well as a grammar or high school that a relative attends.

When you log on to www.escrip.com, the easy-to-follow signup screens take you through the enrollment process. Be sure to designate the Dominicans as the group that you want to support by selecting the Group Name button and typing **Western Dominican Province** in the text box or by selecting the Group ID button and typing **154804935** in the text box. (Remember that you can designate up to three groups.) You must register at least one card to join the program.

Those without Internet access can register by mail using the provided signup form.

Thank you for your help in this important fundraising activity for the education and formation of our Dominican brothers.

Help us raise \$\$! Sign up with eScrip.
